Title of applicant: _____

Type of business: Private Public Not for profit

Type of business (industry sector): _____

Number of employees: _____

Does your organization have a disability management program? Yes No

Does your organization have more than one location in Canada? Yes No

If so, is your disability management program administered centrally? Yes No

Scholarship Information

PACIFIC COAST UNIVERSITY
FOR WORKPLACE HEALTH SCIENCES

The Scholarship for the Bachelor of Disability Management (BDM) program will be administered by the Pacific Coast University for Workplace Health Sciences (PCU-WHS).

The BDM is a degree with an applied focus that provides graduates with the knowledge, skills and competencies to assist absent workers to return to work and also to assist employing organizations, service providers and insurers in the public, private and not for profit sectors to introduce and operate cost-effective and responsive disability management and return to work programs. Details regarding the program can be found at: <https://www.pcu-whs.ca/programs/bdm/>

There are two options available for application in the Scholarship program:

- The full-time, two-year program pathway to achieve the BDM bachelor degree for those who are not currently working.
- The part-time, four-year program pathway to achieve the BDM bachelor degree for those who are currently working.

Entrance requirements into the BDM program for both pathways described above are the same.

The Scholarship program allows Canadian residents to transfer into the Bachelor of Disability Management degree program at PCU-WHS, after having completed relevant educational prerequisites.

The degree is comprised of 120 credits. Applicants are eligible for the scholarship after having completed a two-year diploma or other educational prerequisites from recognized educational institutions in a range of disciplines, but preferably in human resources, occupational health and safety, healthcare, business or social work. The percentage of tuition costs that the annual scholarship covers will be contingent on the number of transfer credits with which prospective students enter the program.

Canadian residents are eligible for the scholarship as follows:

- \$6,500 per year for each of the 2 years of the full-time BDM program, which covers **most** of the tuition costs for specialized courses required to complete the BDM degree. Applicants are responsible to cover the balance of the tuition per academic year (cost will depend on type of admission – see below). Applicants must be prepared to participate in the online Bachelor program on a full-time basis for two years. This pathway is intended for those who are not working full-time.
- \$3,250 per year for each of the first 2 years **only** of the 4-year part-time BDM program, which covers **most** of the tuition costs for the first 2 years for specialized courses required to complete the BDM degree. Applicants are responsible to cover the balance of the tuition for the first 2 years (cost will depend on type of admission – see below.) Applicants will be responsible for the full tuition and all other expenses of the final 2 years of the 4-year part-time program. Applicants must be prepared to participate in the online Bachelor program on a part-time basis for four years. This pathway is intended for those who are working full-time.

Please advise under which program you are planning to apply:

2-year full time program 4-year part-time program

Please advise the type of admission for your application – see details on the website at:

<https://www.pcu-whs.ca/admissions/admissions-process/>

General Admissions Flexible Admissions Admission Directly into Year 3
